Trade Mark Enquiry Form

Fill this in, save the file, and email it to instruction@jkmarcam.com.
It takes about five minutes and needs no trade mark knowledge.

1. WHO WILL OWN THE TRADE MARK

FULL LEGAL NAME OF THE OWNER

UEN OR COMPANY REGISTRATION NUMBER (IF ANY)

COUNTRY OF INCORPORATION, OR NATIONALITY

ADDRESS OF THE OWNER

Why we ask: the applicant's country of incorporation, or nationality, decides which filing routes are available and what each registry requires.

2. THE TRADE MARK YOU WANT TO PROTECT

WHAT ARE YOU PROTECTING? Tick each one you want. Each type is a separate application, with its own fees.

- ☐ Wordmark (words only)
- ☐ Figurative mark (a logo or device, no words)
- ☐ Composite mark (words within the logo)

If you ticked a figurative or composite mark, please attach the logo to your email as a JPEG.

THE WORDS IN THE MARK, EXACTLY AS THEY APPEAR

IF THE WORDS ARE NOT IN ENGLISH, GIVE THE PRONUNCIATION AND THE TRANSLATION OR MEANING IF ANY

Why we ask: the mark is registered exactly as you give it. We also need the mark itself in order to run our complimentary search.

3. GOODS AND SERVICES PROVIDED UNDER THE TRADE MARK

LIST THEM AS SPECIFICALLY AS YOU CAN

WEBSITE FOR THIS BRAND

SOCIAL MEDIA FOR THIS BRAND

- ☐ Already selling under this mark
- ☐ Not yet, launching soon

Why we ask: we determine the relevant classes from the goods and services you list. Our complimentary search covers the intended classes only.

4. WHERE YOU WANT PROTECTION

PLEASE LIST EACH COUNTRY, NOT JUST THE REGION

- ☐ Singapore

Other countries:

Why we ask: every registry sets its own fees, forms and requirements, so we quote and advise country by country.

5. ANYTHING ELSE WE SHOULD KNOW

OPTIONAL

Why we ask: a deadline, an earlier application or a past refusal changes what we recommend and how quickly we have to move.

WHAT HAPPENS NEXT

1. We determine the classes, run a complimentary clearance search where available, and advise on registrability, filing route and fees.
2. We invoice if you decide to proceed.
3. On your payment advice, we draft or harmonise the claims and send a full search and registrability report for your filing instructions.

Please note. *Searches in all countries are not always free. A paid search will only be conducted after engagement. Any clearance search is a preliminary check of the register. It is not a registrability opinion and does not cover unregistered rights, company names or domain names.*

Confidential. Completed forms and their attachments are treated as confidential and are used only to act on this enquiry.
